

**Installation Instructions for 141 955 517.**  
**When installing into 1958-1966 beetle with 6 volt single speed motor.**

**Please Note;**

**Terminal 31 is an additional ground. The switch grounds itself via the brass mounting ring.**  
**If you have a 12 volt wiper motor, match numbers on switch to numbers on motor.**

*Wolfsburg West*
