

# CB7169 All-In-One Turbo Hideaway Kit

This **All-In-One Turbo Hideaway Kit** includes most everything you need to convert your engine into a Turbo-powered Beast. Add **Aluminum Pressure Covers**, **S/S Hose Clamps**, and either EFI or carburetors and you're good to go!

The Turbo is a **T03/T04 Hybrid Turbo** with a 0.63 A/R Exhaust Housing P-Trim Turbine Wheel, H-Trim Compressor Housing (0.70 A/R), and a 59mm Compressor Wheel.

The Silicon Ducting Hose comes in the default color of **BLACK**.

We've added a few more goodies to our **All-In-One Turbo Hideaway Kit**, to get you that much closer to getting TURBO'D!!

First, we've put together an **Hideaway Turbo Oil Drain Kit**, featuring our #1770 Thin Line Oil Sump, drilled and tapped, including all the pieces you'd need to setup your Turbo Drain properly.

Second, we've pieced together a **Hideaway Turbo Oil Pressure Kit**, featuring 6" Metal Braided Line, an Oil Feed Block and a few couplers to keep your turbo system properly pressurized.

Lastly, we've also included a **Hideaway Turbo Hardware Pack**, with Twelve 8 x 35 Allen Bolts, Twelve 8 x 11 nuts, Twenty-Four 8mm washers and Four 8 x 35 Studs.
